

# Chocolate and Raspberry Pots

## Ingredients

- 200g plain chocolate (not too bitter, 50% or less)
- 100g frozen raspberries, defrosted or fresh raspberries
- 500g Greek yogurt
- 3 tbsp honey
- Chocolate curls or sprinkles

## Method

1. Break the chocolate into small pieces and place in a heatproof bowl. Bring a little water to the boil in a small saucepan and then place the bowl of chocolate on top, making sure the bottom of the bowl does not touch the water. Leave the chocolate to melt slowly over a low heat.
2. Remove the chocolate from the heat and leave to cool for 10 mins. Meanwhile, divide the raspberries between 6 small ramekins or glasses.
3. When the chocolate has cooled slightly, quickly mix in the yogurt and honey. Spoon the chocolate mixture over the raspberries. Place in the fridge to cool, then finish the pots with a few chocolate shavings before serving
